

## Grading Practices

School: Landstown High School, Governor's STEM and Technology Academy

Subject(s): MATH—Algebra II & Algebra II/Trig

Grade Level: 9-12

### Homework

Homework will be an extension of classwork material and is encouraged for practice outside the classroom; therefore, it will be a non-graded assignment.

### Late Work

When an assignment is not completed by the date due, teachers shall exercise informed professional judgment to determine consequences and adjust deadlines if appropriate. Hard deadline for unit late work will be date of unit test.

### Explanation of Zeroes

Zeroes will be given to assignments not completed on time. Unique situations will be addressed on an individual basis and must be communicated to the instructor.

### Reassessment

No reassessment will be administered.

### Make-up Work

Students will have 3 school days to make up work missed due to an excused absence. It will be the student's responsibility to ask the instructor for make-up work. Any assignment assigned prior to the absence will be due upon return to school. Unique situations will be addressed on an individual basis and must be communicated to the instructor upon returning to school. Students with an unexcused absence may make up assignments for credit at the instructor's discretion.

### Extra Credit

If extra credit is available, it will be built into the assessment and it will be related to current objectives.
